

## **INTERNSHIP IN GERMANY**

We are looking for a **smart and motivated intern** to join our team.  
*Yes investmedia GmbH* is a young, fast growing company in Bonn, Germany.

It is specialized in financial marketing and has launched several effective and successful campaigns in the past.

We offer a **full time, paid internship** for **12 months** with chances for a permanent position and the formation of a company in Spain.

We will pay you a **German language course** (level depending on your German skills) and will offer **an accommodation** as well.

### **Your Qualifications:**

- Graduate Student with Master's degree in Computer Science or any program comparable to it
- Excellent written and verbal communication skills in English
- German Skills would be a plus, we expect at least basic written or verbal communication skills in German
- Team player who is flexible and proactive and likes to assume responsibility
- Highly proficient in programming apps and web shops
- Knowledge of content management systems (html, css, php, wordpress)
- Highly proficient in Microsoft Office and Outlook
- Also a plus: SEO/SEM and Google Adwords Skills

## We offer:

- 12 months paid internship in Germany
- A German language course
- An accommodation
- Profound insights into campaign management and social media marketing
- Possibility to put your ideas into practice and to manage your own projects
- Chances for a permanent position and the formation of a company in Spain with you being the new general manager
- A pleasant working environment

We are always looking for interns, so do not hesitate to apply whenever it works best for you.
